## **Paul Renwick Award Nomination Package**

### **Background Information:**

Paul Dwight Renwick taught at Henry Janzen School in Regina from 1982 to 1987. As a physical Education instructor, he excelled in his field. Most students found his physical education program stimulating and challenging and his extra curricular activities exciting and exhilarating. Paul's program was recognized and received the CAHPERD ODPE Award in 1987. Paul's life was cut short and he died of cancer June 22, 1987.

Paul was actively involved with SPEA. He was president-elect in 1981-82, president in 1982-83 and past president in 1983-84. During his year as president Paul foresaw a need for SPEA to be much more than a conference planning body. He envisioned and proposed a three year plan for the organization and laid the foundation for SPEA to become the major voice for physical educators across Saskatchewan. From 1985-1987 Paul assumed the role of part-time executive director where he pursued sources of grant money to enable the organization to pursue provincial initiatives. Paul's foresight and vision left a legacy for physical educators in Saskatchewan and for SPEA as an organization.

### **Purpose:**

The Paul Renwick Award is presented to one individual annually for outstanding contributions to physical education in Saskatchewan. This award is given in memory of Paul Renwick who was instrumental in a vision and planning process to make SPEA truly a provincial voice for physical education in Saskatchewan.

### **Who may nominate:**

All educators are encouraged to nominate a deserving colleague. The nominee needs to be a current SPEA member.

### **Awards Presentation and Benefits:**

- The award is presented at the SPEA Awards Banquet at the SPEA annual conference at the beginning of May.
- The winning nominee receives a \$200 art gallery gift card and an honorarium of \$250 to be devoted to the enhancement of the recipient's career.
- The winning nominee will become a life member of the Saskatchewan Physical Education Association.
