

SPEA Members,

As a leader in physical education, we would like to invite you to complete the Saskatchewan Physical Literacy survey. Your input is so important. You are the experts in your sector.

This survey is a result of work by the Saskatchewan Physical Literacy Work Group (SPLWG). It was developed by a group of individuals and organizations working together to increase the physical literacy of Saskatchewan children and youth. The SPLWG consists of the following organizations: Saskatchewan Physical Education Association, Saskatchewan Parks and Recreation Association, University of Saskatchewan, University of Regina, Saskatchewan Coaches Association, and Saskatchewan *in motion*.

The survey is designed to understand current perceptions of physical literacy among professionals and volunteers working in sectors that develop physical literacy in children and youth.

Your thoughts and insights on the survey will help ensure we collect the information we need to support the development of physical literacy through a variety of sectors. Following the survey, the SPLWG will launch a physical literacy awareness campaign.

Below you will find two surveys (one related to your work and one for volunteering). We value your input and your time. Please choose the survey that relates to your main role either as a professional and/or as a volunteer. Each survey should take no longer than 10 minutes to complete.

To thank you for sharing, once you complete the survey, please enter to win an \$50 gift card. This information will not be associated with your responses. Your participation will remain confidential and data will be stored in a secure database.

The following surveys will be live from October 19 – November 15, 2020.

Thank you once again for your leadership and ensuring the kids you care about develop the skills, confidence, and love of movement to be physically active for life.

If you have any questions or comments about the survey, please contact Alexandra Stoddart (Alexandra.stoddart@uregina.ca). If you would like more information about the SPLWG or the physical literacy awareness campaign, please contact Marnie Forsberg at marnie@saskinmotion.ca.

Sincerely,

The Saskatchewan Physical Literacy Work Group
